8. This Agreement shall be governed by and construed in accordance with Utah law, the Tariff and any applicable rules and regulations of the Commission and, to the extent that the Tariff or any applicable rules or regulations of the Commission conflict with or are inconsistent with this Agreement, now or in the future, the Tariff, Commission rules and regulations shall control. If any term of this

Agreement is held to be illegal or in conflict with Utah law, the Tariff, or any applicable Commission rule or regulation, the validity of the remaining portion of the Agreement shall not be affected, and the rights and obligations of the Parties shall be construed as if the Agreement did not contain the particular term held to be invalid.
