Tooele County Commission
Wade B. Bitner, Chair
Shawn Milne, Commissioner
Myron E. Bateman, Commissioner
47 South Main Street
Tooele, UT 84074

Dear Commissioners:

The purpose of this letter is to offer to amend the February 1, 2017, Interlocal Agreement for Wastewater Treatment Services by extending the agreement termination date to March 31, 2018. The purpose of the amendment is to facilitate the economic development effort of attracting a major truck manufacturing operation to Tooele County. The specific effect of this letter amendment is to amend the date in Section 7(a) to March 31, 2018. No other amendments are made. The signatures, below, of two or more of you will constitute the acceptance of Tooele County and the Deseret Peak Special Service District.

Should the company in fact choose to locate in Tooele County, Tooele City will be happy to discuss with you the possibility of a longer-term interlocal agreement for wastewater treatment services.

Sincerely,

Patrick H. Dunlavy, Mayor

Approved as to Form

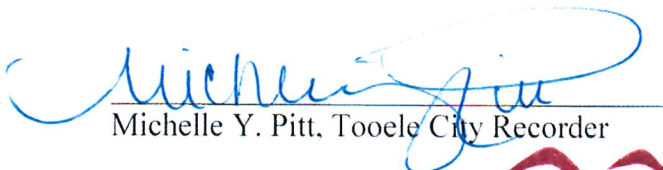

Roger Evans Baker, Tooele City Attorney

Wade B. Bitner, Chair

Shawn Milne, Commissioner
