

**Community Development Block Grant Program (CDBG)
2020 - Sub-Contractor Agreement**

THIS AGREEMENT entered into this 1 day of July, 2020 by and between **Tooele County**, a body politic of the state of Utah, hereinafter referred to as "Contractor," and **Wasatch Front Regional Council**, a non-profit corporation organized under the laws of the state of Utah, hereinafter referred to as "Subcontractor."

WITNESSETH:

WHEREAS, Contractor will enter into a Contract Agreement with the Utah Department of Workforce Services, Housing and Community Development Division, hereinafter referred to as the "Community Development Block Grant Agreement" and

WHEREAS, Contractor desires to subcontract with Subcontractor to provide said project as outlined in Attachment D, Scope of Work, and

WHEREAS, the Subcontractor desires to perform the project for Contractor as outlined in the Scope of Work, upon the following terms and conditions,

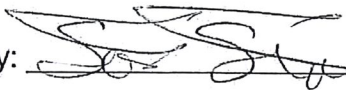

NOW, THEREFORE, in consideration of the mutual covenants and promises contained hereafter, the parties hereto agree as follows:

1. Subcontractor agrees to abide by all of the terms and conditions and perform all of the responsibilities and obligations of the Community Development Block Grant Agreement. A copy of said Block Grant Agreement, which is incorporated herein and by this reference made a part hereof, shall be made available to Subcontractor upon written request.
2. Contractor hereby agrees to pay to Subcontractor such funds as it may receive, and shall make available all rights, privileges and responsibilities Contractor may have under the Block Grant Agreement, subject to Subcontractor's full performance of the terms and conditions hereof.
3. Subcontractor shall provide the services set forth in the scope of work, and in doing so shall, in addition to the requirements of Paragraph 1 above, perform according to the provisions of the attached Standard Terms and Conditions, any additional terms and conditions; and other, performance requirements established by Contractor, if any. A copy of each attachment is attached hereto and by this reference made a part hereof.
4. Subcontractor acknowledges that Contractor, as a condition of receiving a block grant under the Community Development Block Grant Agreement, has agreed to hold the State of Utah harmless from such claims, damages, loss or injury as the state may suffer in the event Contractor fails to comply with the terms of the Block Grant Agreement. Recognizing that default by Subcontractor in performance of the terms and conditions of this Agreement may result in default by Contractor in its obligations to State of Utah under the Block Grant Agreement, Subcontractor hereby agrees to hold Contractor harmless from any and all such claims, damages, loss, or injury as

Contractor may suffer as a result of Subcontractor's failure to comply with the terms and conditions of this Agreement.

WHEREFORE, the parties have signed this Contract the day and year first above written.

RE: 2019 Community Development Block Grant - # 20-1065
CDBG Administration & Consolidated Planning

Dear Alison,

I have enclosed the ²⁰²⁰ 2019 CDBG contract between the State of Utah and Tooele County. This is a pass-thru grant to Wasatch Front Regional Council (WFRC) for CDBG Administration and Consolidated Planning carried out by WFRC.

WFRC will be submitting payment requests to us and we will be processing payments to Tooele County to be passed thru to WFRC. The first payment will be coming in approximately 2 weeks. I would ask that this contract be given to the appropriate person and that the staff person who deposits the state check be made aware of the payment due to WFRC. In the past, there have been delays in getting WFRC paid. My hope is that we won't have the same problem this year. We only pay quarterly. Please call me at (801) 468-0118 if you have any questions.

Sincerely,

Cheryl Brown
CDBG Program Manager
