Subject: Petition Sponsors for Incorporation of City of Erda Determinations

Tooele County Commissioners Tom Tripp, Kendall Thomas and Shawn Milne:

The Petition Sponsors for Incorporation of City of Erda are submitting in writing to you, the legislative body of Tooele County, the results of our determinations in accordance with the State of Utah Lieutenant Governor Code §10-2a-213. The Incorporation of City of Erda on the November 3, 2020 ballot passed. The five-member council form of government received the most votes and the voters voted to elect council members by district.

We are submitting our determinations to you within 25 days of the canvass of the City of Erda Incorporation Election. Prior to making our determinations, we held a public hearing on December 8, 2020. Because of State of Utah public health orders due to transmission of COVID-19, we held the public hearing online and via conference call to allow all individuals an opportunity to participate.

We have determined the following:

- All 5 Council Members shall be elected by district
- Boundaries of the 5 Council Member election districts are shown in the attached figure
- The initial terms of the Council Members shall be:
 - Odd Numbered Districts (1, 3; 5)
 - Elected year preceding Presidential Election cycle
 - First election in 2021
 - Subsequent elections in 2023, 2027, 2031, 2035...
 - Even Numbered Districts (2; 4)
 - Elected year following Presidential Election cycle
 - First election in 2021
 - Subsequent elections in 2025, 2029, 2033, 2037...

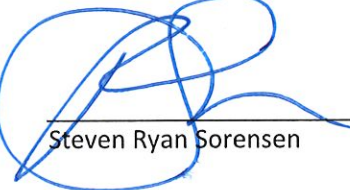

Sincerely,
