- (4) The administrative hearing officer shall transmit to the reviewing court the record of his or her proceedings, including his or her minutes, findings, orders and, if available, a true and correct transcript of his or her proceedings. If the proceeding was recorded, a transcript of that recording is a true and correct transcript for purposes of this subsection.
- (5) If there is a record, the district court's review is limited to the record provided by the administrative hearing officer. The court may not accept or consider any evidence outside the administrative hearing officer's record unless that evidence was offered to the administrative hearing officer and the court determines that it was improperly excluded by the administrative hearing officer.
- (6) If there is no record, the court may call witnesses and take evidence.
- (7) The court shall affirm the decision of the administrative hearing officer if the decision is supported by substantial evidence in the record.

Before filing the petition, the aggrieved party may petition the administrative hearing officer to stay his or her decision. Upon receipt of a petition to stay, the administrative hearing officer may order his or her decision stayed pending district court review if the administrative hearing officer finds it to be in the best interest of the county.
