## PERFORMANCE BOND

Bond No. 9379644

KNOW ALL MEN BY THESE PRESENTS, That Staker & Parson Companies dba Staker Parson Materials & Construction, as Principal, hereinafter called Contractor, and Fidelity and Deposit Company of Maryland as Surety, licensed to do business as such in the State of Utah, hereby bind themselves and their respective heirs, executors, administrators, successors, and assigns, unto Tooele County, Wendover, Utah, as Oblige, hereinafter called Owner, in the penal sum of Four Million, Nine Hundred Six Thousand, Eighty Five Dollars and 0/100 cents (\$4,906,085.00) for the payment whereof Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, by these presents.

WHEREAS,

Contractor has by written agreement, entered into a contract with Tooele County to Rehabilitate Runway 12/30, which contract, including any present or future amendment thereto, is incorporated herein by reference and is hereinafter referred to as the Contract.

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION is such that, if the Contractor shall promptly and faithfully perform said Contract including all duly authorized changes thereto, according to all the terms thereof, including those under which Contractor agrees to pay legally required wage rates including the prevailing hourly rate of wages in the locality, as determined by the Department of Labor and Industrial Relations or by final judicial determination, for each craft or type of workman required to execute the contract, and, further, shall defend, indemnify and hold the Owner harmless from all damages, loss and expense occasioned by any failure whatsoever of said Contractor and Surety to fully comply with and carry out each and every requirement of the contract, then this obligation shall be void; otherwise it shall remain in full force and effect.

In the event that Contractor shall be and is declared by the Owner to be in default under the Contract, the Owner having performed its obligations thereunder, the Surety may promptly remedy the default, or shall promptly

- 1) Complete the contract in accordance with its terms and conditions, or
- 2) Obtain a bid or bids for completing the Contract in accordance with its terms and conditions, and upon determination by Surety of the lowest responsible bidder, or, if the Owner elects, upon determination by the Owner and the Surety jointly of the lowest responsible bidder, arrange for a contract between such bidder and the Owner, and make available as Work progresses (even though there should be a default or a succession of defaults under the contract or contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the balance of the contract price; but not exceeding, including other costs and damages for which the Surety may be liable here under, the penal sum of the bond. The term "balance of the contract price", as used in this paragraph, shall mean the total amount payable by the Owner to Contractor under the Contract and any amendments thereto, disbursed at the rate provided in the original contract, less the amount properly paid by the Owner to the Contractor. If the completion contract provides for more rapid payment than the Contract, then Surety shall advance such sums as are needed to make payment as provided in the completion contract and shall recover it from the Owner when payment from the Owner is due.

No suit shall be commenced or pursued hereunder other than in a state court of competent jurisdiction in Tooele, Utah, or in the United States District Court for the District of Utah.

WAIVER. The said surety, for value received, hereby expressly agrees that no change, extension of time, alteration or addition to the terms of the contract or to the work to be performed thereunder, shall in

any wise affect the obligations of this bond; and it does hereby waive notice of any such change, extension of time, or alteration or addition to the terms of the contract or the work to be performed thereunder.
