**Item Title: 2021 Utah Weed Supervisors Association Sage Grouse Management Areas
Tooele County Grant Year 3 of 3**

Summary: The Utah Weed Supervisors Association has awarded Tooele County for Noxious Weed Control Projects in Sage Grouse Management Areas during 2021 assisting land owners in restoration areas containing noxious and invasive weed infested areas and benefits sage grouse habitat.

GRANTEE CONTRACT
2021 NOXIOUS WEEDS GRANT
Contract Number: 202103SGMA17

Tooele County Weed Board
47 South Main Street
Tooele, UT 84074

General Purpose of the Contract:

Authority: Noxious Weed Act, Chapter 17 SAE 4443 7303

Cooperative control of noxious weeds and invading weeds through USDA Forest Service Grant Money.

Scope of Work:

Tooele County agrees to complete the following work as proposed:

1. Treat noxious weed regrowth in previously treated areas.
2. Expand project into known weed infestations and inspect likely areas of infestation.
3. Restore areas of treatment.
4. Monitor transects established as part of the project and report results.
5. Provide at least a 50%/50% match in cash or non-cash contributions.
6. Submit GIS data point regarding weed control and inventory to EDDMaps.

If publications are produced using grant funding, the UWSA must be contacted for additional documentation. The USDA Forest Service must be given credit on any publication.

Budget:

Tooele County agrees to comply with the following use of grant funds, not varying more than 10 percent per category. If it appears the project use of funds or costs will vary more than 10 percent and a new budget is required, the Utah Weed Supervisor's Association must approve the changed budget **before** changed costs are incurred.

Qualifying Expenses	Explanation	Requested Funds
Herbicide		\$8,500.00
Supplies (Biocontrol, seed, fertilizer)	PPE and spray supplies, seed and fertilizer	5,900.00
Labor	Helicopter and seasonal	5,600.00
Contracts		
Other (Sprayers, emergency maintenance, education materials, insectary supplies)		
Total Amount Requested		\$20,000.00

Grant funds may not be used to purchase food or to rebuild equipment.

Financial Administration and Reporting:

The fiscal agent may provide the Utah Weed Supervisors Association with intermittent reports and invoices, as work progresses. Using intermittent reports, reimbursements may be requested monthly. All such requests must be sent by the third Friday of the month

A final report is required, and is due before November 1, 2021. The reports will consist of a completed form, reimbursable receipts, and matching documentation, before and after photographs of the project and a link to EDDMaps where project GIS data is posted. Send all documentation in a digital format, by email. Send all information by email to <rosann@etv.net>. Send any necessary hard copy to Rosann Fillmore, P.O. Box 429, Orangeville, UT 84537

To assist with record keeping, an *example* in-kind log and expenditure tracking sheet is enclosed. Similar documentation and copies of invoices clearly marked as UWSA reimbursable costs or matching costs must accompany all requests for reimbursement. (See examples.)

The Utah Weed Supervisors (UWSA):

The UWSA agrees to reimburse Tooele County \$20,000 for treatment costs authorized by this contract after receiving the necessary reports (quarterly cost-share numbers, treated acres, reimbursement requests and annual and final reports).

The contractor will only be able to receive 75% of the grant amount until the final grant report has been submitted.

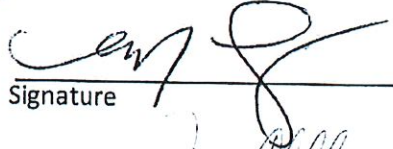

The UWSA also agrees to submit an annual report of the grantee's activities funded by this grant to the USDA Forest Service.
