Item Title: Grader Purchase

Please answer the who? what? when? why?

The Roads department requested and was approved \$280,000 to replace an existing Grader. This purchase is to replace a 1995 grader in our fleet. We received two quotes from State contract vendors Honnen (John Deere) and Wheeler (Caterpillar). We currently only service John Deere and Caterpillar grader's in our fleet. The John Deere was quoted at \$386,500 and the Caterpillar was \$317,896.00. The 1995 grader didn't sell with-in the County surplus policy so we are trading it in as part of this purchase for \$37,500.

This brings the purchase price from Wheeler to \$280,396. Since this purchase exceeds the \$100,000 threshold, the Roads dept. is submitting this purchase to Council for approval.
