**Item Title:**

Mini-Excavator Purchase

*Please answer the who? what? when? why?*

The Roads department requested and was approved \$120,500 to purchase a new mini-excavator during the 2023 budget approval. We received three quotes. Two from State contract vendors Honnen (John Deere) and Wheeler (Caterpillar) and the third quote was from Linkbelt. We currently service John Deere and Caterpillar equipment as well as a full size Linkbelt excavator in our fleet. The John Deere was quoted at \$128,000, Caterpillar was \$146,873 and the Linkbelt was quoted at \$116,553. This makes the quoted price from Linkbelt the lowest bid.

Since this purchase exceeds the \$100,000 threshold, the Roads dept. is submitting this purchase to Council for approval.
