

**OQUIRRH MOUNTAINS TRAILS MASTER PLAN
SUNRISE ENGINEERING, INC.**

AGREEMENT dated this 11th day of April, 2023, by and between Tooele County, a political subdivision of the State of Utah ("County"), and Sunrise Engineering, Inc. ("Contractor").

The parties hereby mutually agree as follows:

1. Contractor shall: (a) timely complete and deliver an Oquirrh Mountains Trails Master Plan; (b) furnish all labor, equipment and materials not specifically identified as to be furnished by County; and (c) do and perform all other tasks required by Contractor's submittal ("submittal") dated February 8, 2023 as amended by the corrected project budget submitted March 27, 2023.
2. Contractor shall obtain all necessary permits and licenses at Contractor's expense.
3. As payment in full, County shall pay to Contractor the amount of \$45,919 after completion and upon acceptance by County.
4. Contractor covenants and agrees that all work and labor shall be performed with the professional skill and care ordinarily provided by professionals practicing in the same or similar locality under the same or similar circumstances conforming with the submittal. Except as modified in this Agreement, the Request for Proposals, the submittal, and Contractor's corrected project budget, are hereby made a part of this Agreement as though they had been set forth herein.
5. Contractor shall begin the project in April 2023 and shall adhere to the proposed timeline set forth in the submittal.
6. Neither party to this Agreement shall be held responsible for delay or default caused by fire, riot, acts of God, war or pandemic beyond that party's reasonable control.
7. Commencing in April 2023 and continuing until completion, Contractor shall communicate with County Director of Parks & Recreation Corey Bullock at least monthly to discuss percentage of completion, expected completion date, impediments to timely completion, etc.
8. Contractor shall indemnify and hold harmless County and its officers and employees from and against all claims arising out of or related to Contractor's obligations pursuant to this Agreement.
9. Additional work and deviations from the submittal shall require written change orders which must be approved in advance by both parties.
10. This Agreement may only be amended, modified, or supplemented by written amendment signed by the parties.

11. This Agreement and the documents specified in paragraph 4 above constitute the entire agreement between the parties. All other agreements, promises and representations with respect to the subjects of this Agreement, other than those contained herein, are expressly revoked, as it has been the intention of the parties to provide for a complete integration within the provisions of this document.

12. The unenforceability, invalidity or illegality of any provision of this Agreement shall not render the other provisions unenforceable, invalid or illegal.

13. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors and assigns, and their respective legal representatives. However, neither party may assign its rights or obligations under this Agreement without the express written consent of the other party, which consent shall not be unreasonably withheld.

14. In the event of default by either party hereto, the defaulting party shall pay all costs and expenses of the non-defaulting party, including a reasonable attorney's fee, which may be incurred by the non-defaulting party in enforcing its rights and remedies resulting from such default.

15. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and all of which together shall constitute the same instrument.

16. This Agreement shall be interpreted and enforced according to the laws of the State of Utah.
