The parties hereby mutually agree as follows:

1. Contractor shall: (a) furnish all labor and equipment; (b) furnish and deliver all materials not specifically identified as to be furnished by Owner; (c) remove and replace designated existing water lines in the Tooele County Administration Building; (d) remodel six designated restrooms in the Tooele County Administration Building; and (e) do and perform all other tasks required by the project plans and specifications and other documents included in the Request for Proposal and Contractor's submission.
2. Contractor shall apply for and obtain all necessary permits. Owner shall pay for such permits in addition to the contract price of \$181,171.
3. Except as provided in Paragraph 2 and as payment in full, County agrees to pay to Contractor the amount of \$181,171 upon completion and acceptance by County.
4. Contractor covenants and agrees that all work and labor shall be done and performed in the best and most workmanlike manner and in conformity with the project plans and specifications and Contractor's submission, both of which are hereby made a part of this Agreement.
5. Contractor shall complete the work no later than 90 days after Notice to Proceed.
6. Neither party to this Agreement shall be held responsible for delay or default caused by fire, riot, acts of God, war or pandemic beyond that party's reasonable control.
7. Commencing immediately and continuing until completion, Contractor shall communicate with County Facilities Director Jason Sparks at least once every two weeks to discuss expected materials delivery date(s), percentage of completion, expected completion date, impediments to timely completion, etc.
8. Prior to acceptance by County, Contractor and County shall complete a final punch list, and Contractor shall complete all items on the punch list within 14 days.

9. Contractor shall indemnify and hold harmless County and its officers and employees from and against all claims arising out of or related to Contractor's obligations pursuant to this Agreement.

10. Additional work and deviations from the project plans and specifications shall require written change orders which must be approved in advance by both parties. Adjustments to the contract price arising from change order(s) shall be supported by appropriate documentation and limited to: (1) actual costs of materials, rental costs, supplies and equipment (excluding small tools); (2) direct and indirect costs of labor at the same rate(s) as calculated in Contractor's submission; and (3) a markup for overhead and profit not to exceed 12% for the Contractor and not to exceed 7% for subcontractors.

11. This Agreement may only be amended, modified, or supplemented by written amendment signed by the parties.

12. This Agreement and the documents specified in paragraph 4 above constitute the entire agreement between the parties. All other agreements, promises and representations with respect to the subjects of this Agreement, other than those contained herein, are expressly revoked, as it has been the intention of the parties to provide for a complete integration within the provisions of this document.

13. The unenforceability, invalidity or illegality of any provision of this Agreement shall not render the other provisions unenforceable, invalid or illegal.

14. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors and assigns, and their respective legal representatives. However, neither party may assign its rights or obligations under this Agreement without the express written consent of the other party, which consent shall not be unreasonably withheld.

15. In the event of default by either party hereto, the defaulting party shall pay all costs and expenses of the non-defaulting party, including a reasonable attorney's fee, which may be incurred by the non-defaulting party in enforcing its rights and remedies resulting from such default.

16. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

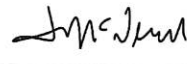

17. This Agreement shall be interpreted and enforced according to the laws of the State of Utah.

18. Contractor is not currently engaged in a boycott of the State of Israel and will not engage in a boycott of the State of Israel for the duration of this Agreement.
