Item Title: Aging Services Meals on Wheels Ford F-150 Truck with Hot/Cold Boxes

Please answer the who? what? when? why?

The older adult population continues to grow and more and more people in Tooele County are home bound and in need of Home Delivered Meals (also known as Meals on Wheels). We can not keep up with the demand with the number of delivery vehicles we currently have. Aging Services needs approval to order a new MOW Truck to be built for purchase in 2024. We would like to move forward with ordering the new MOW truck as it takes 6-8 months to build. We will be using one time legislative funding (\$36,700), insurance money from the Ford Focus (\$5,497), and then the rest would need come from Agings fund balance (\$28,174). We will be sure to include the cost for the truck in Agings 2024 Budget. Included are the best quote from Ken Garff (state contract) for the truck, and Delivery Concepts (sole source) quote for the hot and cold boxes and assembly. Thank you.

List who needs copies when approved: Andy Welch, County Council, Alison McCoy
