*Please answer the who? what? when? why?*

The Roads Department seeks approval for the purchase of a new Caterpillar Grader. The funds have been allocated in the 2024 Budget. Three quotes have been obtained (attached), and our preference is for Wheeler Cat due to the equipment's immediate availability for purchase, matching equipment, and components to the existing Road Department Fleet. As part of this purchase, the Roads Department plans to trade in a 2009 Case Loader and surplus 2005 Grader in 2024. The estimated trade-In value for the Case Loader is \$36,000.00. The surplus estimated value for the Caterpillar Grader is \$45,000.00.
